## DiamondGlow™ microdermabrasion - \$175 - 200

A three-in-one facial that uses a patented recessed diamond tip wand to deliver a next-level resurfacing treatment that deeply cleans and rejuvenates the skin.

Designed to work with SkinMedica™ Pro-Infusion Serums.

## DERMAPLANING - \$75

**Dermaplane Pro** provides a thorough exfoliation by removing all of the dead skin cells and facial hair. It's highly effective in minimizing the appearance of fine lines, wrinkles and acne scars, while leaving your skin smooth, supple and vibrant.

Dermaplaning also allows for greater penetration of skincare products and creates a flawless canvas for makeup to glide on smoothly.

*\*Add-on to DiamondGlow, ProCell microchanneling or Chemical Peels for only \$50*

## MICRONEEDLING - \$300 per treatment / \$800 for package of 3

The **ProCell Microchanneling system** creates thousands of micro channels in the skin that allow for the proprietary serums to penetrate.

It's been shown to improve the appearance of wrinkles and fine lines, acne scars, age-spots, and stretch marks with as few as 2 treatments.

## CHEMICAL PEELS by SkinMedica™

Address the visible skin imperfections that result from skin aging, sun exposure, or acne scarring. Noticeable results after just 1 peel. Compelling results after 3-6 peels.

## Illuminate Peel™ - \$99 / \$250 for package of 3

Appropriate for 1<sup>st</sup> time patients, patients with mild skin imperfections or patients looking for brighter, more radiant skin with little to no peeling and no downtime.

## Vitalize Peel™ - \$150 / \$375 for package of 3

A superficial peel appropriate for mild-to-moderate skin imperfections. Peeling will generally last 2 to 3 days.

## Rejuvenize Peel™ - \$200 / \$500 for package of 3

Appropriate for moderate to severe skin imperfections. Peeling can range from mild flaking to peeling in sheets.

## LASER HAIR REMOVAL – Starting at \$100 per treatment / \$500 for package of 6

The **Motus AY** is the world's 1st and only "pain free" laser hair removal platform.

Using FDA approved Alexandrite "Moveo" laser technology, the **Motus AY** laser is fast, painless, and effective on the widest range of skin types.

It's also highly effective for treating pigmented lesions, vascular lesions, and superficial leg veins.
